

## **TF-VMG1-S-H**

## **1 -way manifold pressure gauge - R22, R134a, R407C, R410A**

For the refrigerants **R22, R134a, R407C, R410A**

- Unique design
- 1 valves
- Accurate and anti-collision with its rubber sheath
- High precision gauge - **Class 1.6**
- Hook for mounting
- High quality aluminum body
- High reliability due to its inlaid metal valve
- Case included
